INTERNSHIP APPRECIATION - ADITI KAPDE

Dear Aditi,

On behalf of the Nullspace team, I would like to thank you for your contribution during this 1-month internship period with us.

Through this internship, you have shown yourself to be keen to learn and fulfilled your duties well. Despite your young age, you stood up to the challenge and took on the role of a mentor to the younger students within our courses. Our students benefitted from your mentoring of them during lessons.

Through this internship, you were also exposed to a variety of robotics and coding platforms, all within a short time frame. Despite the challenge, you managed to learn the platforms quickly and contributed meaningfully during lessons.

Once again, we thank you for your contributions and we wish you all the best in your future endeavour.
